

May 2023 Newsletter

Letter from the President:

Hello all, hope this newsletter finds everyone well and prospering. I cannot believe we are already in May, but at least we have been having some nice weather to get outside and enjoy. Which I suggest you get out and do because even though it is May you never know when the weather will take a turn! Hopefully though, in between taking in all that fresh air, we will see you all at some of the many events coming up this month. I am very excited to do some networking at Movie Tavern and hear a little about their advertising options. And, honestly, it's just nice to be in a movie theater again, after the last several years, it is nice to get out and watch some good films. We will also be doing a ribbon cutting at Tearney's this month (today 5/1 @ 12 noon!). That family has been such a big part of this community for so long I am very excited to get out and welcome them into their new location in Township 5.

Please know that the board is hard at work trying to keep you all busy with events to attend, and constantly improving our infrastructure so that we can keep adding more value to your memberships. Don't forget if you have something that you need advertised through the chamber reach out to the chamber's email and our administrator with happily help you out. I know we are not quite halfway through the year yet, but we are also going to be looking for more volunteers for the board for next year. So, if you're interested come talk to one of us. I really appreciate all the support we've been seeing at the breakfasts and events over the last few months/year. It is very enjoyable to watch this chamber get back to its pre-Covid ways and seeing our membership get back up as well as see more of our members every month. Hope to see you all soon!

Thank you,

Brian Stinson
